

LEVELS OF SUPERVISION

GENERAL - The dentist has prior knowledge and has given consent for the procedures being performed during which the dentist is not required to be present in the dental office or on the premises.

INDIRECT - The dentist is in the office, authorizes the procedures, and remains in the office while the procedures are being performed by the allied dental professional.

DIRECT - The dentist is in the dental office, personally diagnoses the condition to be treated, personally authorize the procedure, and before dismissal of the patient, evaluates the performance of the allied dental professional.
